Ep.5: A Woman's Right To Choose

I invite you to take a closer look at the importance of Jesus-like empathy when we listen to the stories of those whose rights are being suppressed. Answer the following questions for yourself only or discuss them with friends and family.

Describe how it must have felt to be in Rose's position.

List what emotions you felt when listening to her story.

Think of a time in your life when you shared something deeply personal. Describe how vulnerable you felt and how exhausting it was to share your heart.

Describe some of the positive feelings you got when you shared something about yourself with someone who listened simply to understand, without judgment. As we imagine Jesus would.
